

TIME TO THINK SNOW

And plan for winter.....

As a resident, business, or contractor in the City of Frederick there are a couple of snow removal regulations that you should be familiar with. If you have any questions please feel free to contact The Department of Public Works at 301-600-1440.

Removal of snow and ice from sidewalks (City Code 22-16.)

A person owning or occupying a lot or part of a lot abutting a city sidewalk shall remove the snow and ice from the abutting sidewalk for a width of four (4) feet, or the width of the sidewalk, whichever is less.

Failure to remove the snow and ice as required could result in a fine not exceeding \$100. If the owner or occupant still fails to remove the snow and/or ice the city may have the snow/ice removed. The cost will be charged to the property owner.

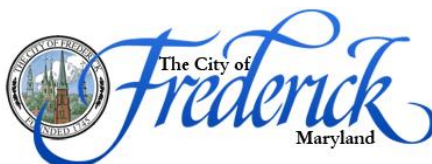

Placing snow in public way (City Code 22-16.1)

A person may not plow, shovel or otherwise deposit snow or ice onto a public street or sidewalk. Violation of this is a municipal infraction and subject to a fine not to exceed \$500.

A person violating this and the owner of the property from which the snow or ice originated from are jointly liable for any costs incurred by the City in (1) removing the snow or ice; and (2) repairing any damage to City property that results from this violation.

Snow Emergency Declaration (City Code 13-17. & 13-18.)

When a snow emergency is declared, all vehicles parked along snow emergency routes must be moved starting two (2) hours after the snow emergency declaration. Please remove all vehicles within the required time. Prohibited parking shall remain in effect until the Snow Emergency has been lifted. Cars in violation may be towed at the owners expense.
